

PROGRAMMES 2018/2019

"The Delta Piano Trio is a bright-eyed and talented ensemble of young musicians. I am delighted that they bring their gifts to my music with such passion and mature understanding."

- Lera Auerbach

This season we present three diverse and compelling programmes. We couple the famous "Dumky" and "Ghost" trios with the magical sound world of Armenian-Lebanese composer Tigran Mansurian and offer the audience a contemplative programme full of reflection (including a mirror with three faces). Furthermore, a programme of transcriptions that shed a new light on Schoenberg's Verklärte Nacht, Schubert songs and a very recent reinterpretation of Prokofiev's flute sonata by Lera Auerbach. Expanding from trio to quartet, we have created two programmes with two friends and internationally renowned musicians. Indonesian soprano Bernadeta Astari joins us to tell the tales of joys and sorrows of different nations and we explore the rich sound of the piano quartet with Hed Yaron Mayerssohn.
